

Cut all brush and branches into 6-foot or less lengths, place in separate piles and place piles parallel to the curb ("clean green waste" piles can be collected for recycling). Don't forget that brush and branches can be set out each week in the City's regular Clean Green collection. **Do NOT trim or remove City street trees.** This is a violation of City Code 12.35.020 and subject to a \$1,000 fine. Call 615-3080 for more information.

Materials must be **at least three feet away from any obstructions**, fire hydrants, fences, poles, cars, trees, bushes, or walls. Do not block sidewalks. Do not place piles in alleys or private streets, or against fences, retaining walls, hydrants, or landscaping.

Curbside Recycling Program: In 1990, a curbside recycling program serving all single-family residences in the City of Santa Clara was initiated. Aluminum and metal cans, glass containers, plastics 1-7, plastic bags, kitchen scrap metal, Styrofoam®, mixed paper, newspaper, cardboard, magazines, used motor oil and motor oil filters are being recycled through this program. In addition, the program provides the opportunity for multi-family complexes to sign up for recycling services for a monthly, per-unit charge.

Call 615-3080 weekdays (or 615-5580 after 4:30 pm or weekends) to report illegal dumping of materials.

Please be careful to check the boundaries and set-out dates for your area.
Early set-outs are subject to a \$100 fine. Violation notices for early and improper set-outs will be left at homes. Questions? Call 615-3080.
